

Swim Team- Winter/Spring, 2012

Ages 9 to 16

Monday through Friday- 4:00pm to 5:15pm

We strive to further improve competitive swimming skills and build on the summer swim experience. Emphasis is placed on stroke mechanics including teaching and correcting all strokes, dives and turns. Practices are designed to be a combination of stroke technique and conditioning. Our goal is to make the swimmer's experience fun and rewarding while planting good practice habits and work ethic. We also encourage participation in USA swim meets.

The swim team offers your child:

- Structured swim practices
- Professional and skilled coaching
- A constant form of exercise
- Unity in a team sport
- A fun and friendly environment

Your child will learn to:

- Improve their stroke technique and swimming skills
- Work hard and achieve personal goals
- Swim with ease, efficiency, power, and smoothness

Most importantly, your child will learn to enjoy the sport of swimming!
